

Wood County Park District Memorial Bench Terms

Gift Amount

With a gift of \$3,000 (or more) to the **Friends of the Wood County Parks** Memorial Bench program, a Memorial Bench with a personalized plaque is placed at a park agreed upon by donor and park staff based on space availability. The gift amount covers the cost of the bench, installation, and a personalized plaque. The Friends of the Wood County Parks are a 501(c)(3) charitable organization.

Location

The donor may request a specific park for their Memorial Bench to be placed. The exact location within the park will be determined by park staff based on availability and needs of the park. An existing non-memorial bench location can also be upgraded to a Memorial Bench site.

(Please Note: Some parks are at capacity and are no longer accepting additional benches, the Park District will make the final determination on the Memorial Bench location).

Memorial Bench Design

The design of Memorial Benches is determined by the Wood County Park District. Bench designs may differ from expected based on park planning and/or supply availability.

Installation Season

New Memorial Benches and plaques are installed between April – October based on product & material availability.

Bench Donation Term

The guaranteed term of a Memorial Bench is 5 years. Within this time, the Wood County Park District will replace the bench in the event of damage at no cost to the donor. The Park District reserves the right to relocate a bench, if required, for future development, park activities, or easement needs.

Recognition

A personalized plaque will be placed on each Memorial Bench. The donor may select the verbiage based on the number of characters in the allotted space. Wood County Park District reserves the right to reject, modify, and approve the final language.
