

# What's Inside the Dinner Pail?

Trace and color.

Find out what children brought to school long ago.

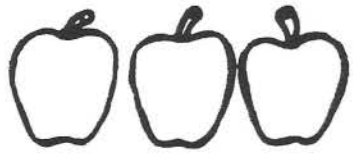

**Brainwork!** Cut out the dinner pail. Paste onto construction paper. Add a pipe cleaner handle.

# An Arithmetic Lesson

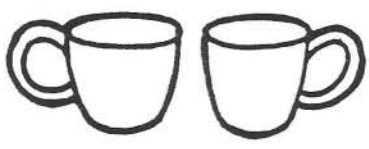

How many?  
Count and write the number.

apples

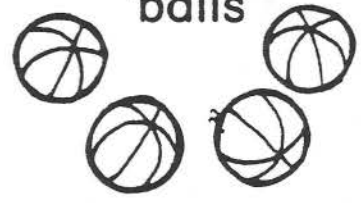

\_\_\_\_\_

cups

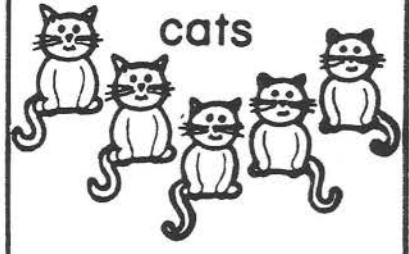

\_\_\_\_\_

balls

\_\_\_\_\_

cats

\_\_\_\_\_

boy

\_\_\_\_\_

girls

\_\_\_\_\_

Draw a picture to show how many.

3 cats

5 apples

2 balls

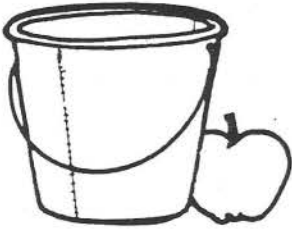

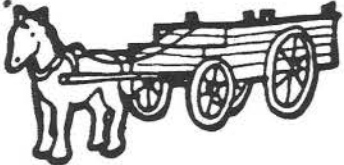

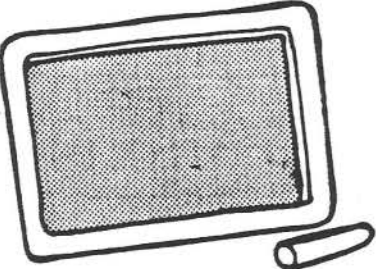

**Brainwork!** How many cats are on this page?

# How Have Schools Changed?

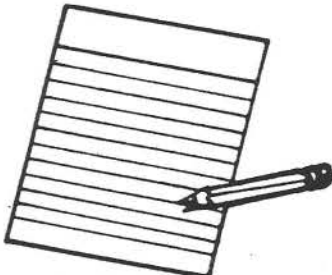

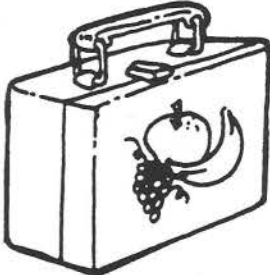

Cut and paste each picture in the correct column.
